Pegasys® Home Delivery Program

Instruction guide for Pharmacists

Arranging home delivery of Pegasys® (peginterferon alfa-2a) for all patients beginning from 1 September 2024.

1. Receive the Prescription:

• Ensure the patient's phone number (preferably mobile) is on the script.

2. Inform the Patient & **Obtain Consent:**

- Tell your patient about the Pegasys[®] Home Delivery Program, coordinated by JustMeds.
- Get your patient's permission to share their contact details with JustMeds.
- Inform your patient that a JustMeds representative will contact them to arrange a delivery time and process the PBS co-payment, usually via SMS or phone call.

3. Send the Script:

- For eScripts (or to send a scanned copy of the hard copy/paper script): email rx@justmeds.com.au
- For hard copy/paper scripts, please mail the original to:

JustMeds PO Box 536 **NOOSA HEADS QLD 4567**

4. Medication Delivery:

- JustMeds will dispense, pack and ship Pegasys® to the patient in a refrigerated truck.
- Someone must be present at the delivery address to receive and sign for the delivery.
- On the delivery day, patients will receive an SMS with delivery details and estimated time of arrival.
- For patients located in regional, rural or remote areas, JustMeds will work with different couriers to organise delivery and will liaise with the patient directly.

5. Patient Follow-Up:

- Patients can then place orders for ongoing home deliveries directly through JustMeds, via email rx@justmeds.com.au or phone 07 2000 4124
- The pharmacist will send the patient reminders when their next script is due.

Any Questions?

Please contact JustMeds directly via phone **07 2000 4124**, email rx@justmeds.com.au, or visit www.justmeds.com.au/pegasys for further information or scan the QR Code.
